- Providing facility of compartment examination in two subjects in Class X and one subject in Class XII
- Providing three chances of compartment examination for Class X and XII
- Restructuring of questions in some of the important subjects such as Science and Mathematics.
- Publication of sample question papers and making schemes to familiarize teachers and students about the nature of questions and question papers

Similarly, the Council for the Indian School Certificate Examinations (CISCE) has introduced measures like flexibility in the choice of subjects at the Secondary level, internal assessment, continuous involvement of schools/teachers in updating and revising the prescribed curriculum etc. to facilitate learning and reducing stress on students.

The CBSE has also started telecounselling on voluntary basis by the educationists, psychologists, psychiatrists and seasoned principals of the schools. It starts functioning before and during the examinations and also during declaration of results to mitigate and defuse the sense of anxiety and stress among the students. For 2002 examinations. CBSE had started helpline from 31 centres in and outside the country.

Recognising the importance of counselling parents in the matter the CBSE has written to all CBSE affiliated schools for organising such counselling sessions. A copy of the circular dated 10.07.2002 issued by the CBSE to all its affiliated schools giving suggestions to reduce stress and anxiety of students has been sent by the Ministry of Human Resource Development to all States/Govts./State Boards of Secondary Education for their information and use.
